Sheikh Umair

FULL STACK WEB DEVELOPER

As a determined and enthusiastic aspiring full-stack web developer, I am eager to embark on my career journey and apply my rapid learning and problem-solving skills to deliver high-quality solutions. While I may be a fresher in the field, my commitment to excellence, proactive mindset, and passion for coding drive me to quickly adapt to emerging technologies and make meaningful contributions to project success.

INTERNSHIPS

Full Stack Web Development at Internshala

Duration 6-Months

Developed a full-stack web application using modern technologies such as React, NodeJS, and MongoDB
